📁 PROFESSIONAL EXPERIENCE

Software Developer Intern, Routa Digital India Pvt. Ltd 🌐 Jun 2024 – Dec 2024 | Noida, India

As a Software Developer Intern at Routa Digital India Pvt Ltd, I contributed to the development and maintenance of high-quality software solutions. I assisted in analyzing user requirements, designing systems, and implementing efficient code in various programming languages. I collaborated with cross-functional teams to ensure the seamless integration of front-end and back-end technologies. My responsibilities included optimizing application performance, troubleshooting issues, and supporting the timely delivery of projects. This internship allowed me to apply modern software development practices, enhancing user experiences and deepening my understanding of the software development lifecycle.

📁 PROJECTS

ITS-Educational Group (Indian project), Backend & Frontend Developer 🌐

As a Backend Developer for an educational project in India, I developed scalable APIs, optimized databases, and ensured seamless integration, focusing on performance, security, and user experience for a dynamic platform.

Billion Freelance (Canadian project), Backend Developer & Frontend Contributor 🌐

Developed backend architecture, APIs, and optimized performance for BillionFreelance. Collaborated on frontend tasks, ensuring seamless integration, scalability, security, and high-quality solutions for a user-centric, high-performance platform.

Mawaad-Foundation (Dubai project), Backend Developer 🌐

Worked as a Backend Developer for Mawaad Foundation, a Dubai-based OpenCart project, optimizing backend systems, developing APIs, and ensuring seamless integration, focusing on performance, scalability, and high-quality user experiences.

🧠 SKILLS

Computer Languages

HTML | CSS (Bootstrap) | PHP | Java | JavaScript
MySql

Frameworks & Libraries

PHP (Core, Larevel, OpenCart, CodeIgniter),
Java(Spring), JavaScript (AJAX, JQuery)

Communication

I have native-level communication skills, enabling effective collaboration, idea articulation, and confident client interactions.

Version Control tool

Git, Github

📄 CERTIFICATES

Software Developer

I hold a **Software Developer Certificate** from Routa Digital India Pvt Ltd, demonstrating my proficiency in software development, coding practices, and problem-solving skills, gained through hands-on experience in real-world projects.
